Guizhou City Vocational College

Guizhou City Vocational College (GCVC), authorized by the People's Government of Guizhou Province in 2001, registered in the Ministry of Education, and admitted into the national plan, is one of the colleges in China to independently organize higher vocational and technical education. Located in the beautiful Huaxi University Town, the school covers an area of 1,415 acres, has Teaching and Research Administration Building, Teaching Building, Training Building, Student Dormitories, Teacher Cadre Training Center, Library. There are 8 secondary colleges and 25 majors in Guizhou City Vocational College. The college has more than 10,000 students, and has delivered more than 50,000 high-quality technical talents to the society. Since its establishment, all the staff and students of Guizhou City Vocational College have been pioneering and forging ahead with hard work, and constantly innovating the teaching philosophy, school-running system and talent training models, thereby keeping the first position in some areas in higher vocational education in Guizhou China.
